Peach Sale: **THE MOST IMPORTANT FUNDRAISER WE'VE EVER HAD, since we lost last year's peaches!**

It's time to get going on peach sales!! Our goal is to sell over 1000 boxes this year (after all we got to 900 last year). The price is the same \$26 for 10 pounds – depending on size that's about 20-24 peaches. The peaches will keep in the refrigerator for weeks and can even be frozen. We must have all orders placed by **July 27th** with delivery on August 6th at *Page Two* in Gunbarrel. We'll need your help selling and on the day of delivery. Peaches can be ordered on the website (have your purchaser put your name in the appropriate spot so you get credit) or you may take orders and provide Bob Groening with payment on or near the day of delivery. Click here for the event flyer: [Peach Sale](#).

Garage Sale:

Thanks to Kim and Rich for opening up their home and all the hard work to raise money for at their annual garage sale. And thanks to all for the donations and the extra help!
